Professional Summary

Motivated Full Stack Developer with hands-on experience building scalable web applications using React.js, Node.js, Express.js, MySQL, and MongoDB. Skilled in REST API development, JWT authentication, RBAC, database design, and debugging full-stack applications. Passionate about developing efficient software solutions and contributing to collaborative engineering teams.

Technical Skills

- **Languages:** JavaScript
- **Frontend:** React.js, HTML5, CSS3, Bootstrap
- **Backend:** Node.js, Express.js, REST APIs, JWT Authentication
- **Databases:** MySQL, MongoDB, SQL Queries
- **Tools:** Git, GitHub, Postman, VS Code
- **Technical Concepts:** CRUD Operations, Debugging, Problem Solving

Professional Experience

Software Developer Intern

Jun 2025 – Jan 2026

BCS Infallible Technology, Agra

- Developed and maintained full-stack web applications using React.js, Node.js, Express.js, and MySQL.
- Built Attendance Management and Call Center Management systems with secure JWT authentication and RBAC.
- Designed REST APIs and optimized MySQL queries for faster frontend-backend performance.
- Implemented employee registration, image uploads, dashboards, and assignment workflows.
- Collaborated with team members using Git for debugging, testing, and deployment.

Projects

Attendance Management System

React.js, Node.js, Express.js, MySQL

- Built a full-stack attendance system with CRUD operations and reporting modules.
- Implemented JWT authentication and role-based access control for Admin and Employee modules.
- Created responsive dashboards for attendance tracking and report generation.

Call Center Management Dashboard

React.js, Node.js, Express.js, MySQL

- Developed a role-based dashboard for employee and company management.
- Implemented onboarding workflows, image uploads, and filtered caller views.
- Integrated optimized REST APIs for efficient data rendering and performance.

Education

Master of Computer Applications (MCA)

2023 – 2025

Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow

Bachelor of Computer Applications (BCA)

2018 – 2021

Dr. Bhimrao Ambedkar University, Agra

Certifications

- React.js Course — Learn From Scratch
- Certified in C Programming

Achievements & Activities

- Coordinated Cerebrum Fest college event for 100+ participants with planning and execution responsibilities.
- Secured 2nd place in 200m sprint and actively participated in college sports competitions.
